

**GENERAL PRACTICE TRAINING PROGRAM

ADVANCED GP TERMS**

1. Purpose and Application

- 1.1 This agreement is operative from the commencement of the 2008 GP training year and is intended for use throughout the Australian General Practice Training Program (“AGPTP”). These minimum terms and conditions apply, by agreement between General Practice Registrars Australia (“GPRA”) and the National General Practice Supervisors’ Association (“NGPSA”), to all GP Registrars who are employed in private medical practices as part of the AGPTP.
- 1.2 These minimum terms and conditions will be reviewed and updated nationally by three representatives each of the GPRA and NGPSA in July 2008, and every two years thereafter. The Australian Medical Association Ltd (“AMA”) agrees to notify the GPRA and NGPSA when the review is due and to assist them in reaching agreement on the terms of the update.
- 1.3 These minimum terms and conditions are intended to establish a fair and reasonable basis of employment for registrars in order to support an appropriate educational environment.
- 1.4 This agreement continues in force, and applies to all registrars and supervising practices, until agreement is reached on the terms of the next update
- 1.5 This agreement aims to reflect and uphold the standards of General Practice training.

2. Statement of Goodwill

The GPRA and NGPSA acknowledge that a mutual attitude of goodwill must exist for both the GP registrar (“registrar”) and the training practice (“practice”) to extract maximum benefit from this term of training and employment. The GPRA and NGPSA agree that the parties they represent will make all reasonable efforts to work and learn together in a spirit of mutual trust and goodwill. Additionally, they acknowledge that this agreement is not comprehensive and that every effort will be made to reasonably discuss and resolve other difficulties as they arise.

3. Nature of Employment

3.2.1 Pursuant to the requirements of General Practice training, a registrar should be employed as an individual employee (not as a contractor, company, trust, or any other legal entity) under a written employment contract.
