

Data needed to solve hospital ramping problem

Our Ramping Roundtable, consisting of emergency specialists, surgeons and doctors from throughout Queensland, is urgently calling for real-time data from Queensland Health and the Queensland Ambulance Service to help solve the hospital ramping crisis before interstate borders reopen. **Read more**

President and CEO Report

In September, we responded to a new report on Emergency Department wait lists, called for early career doctors to be exempt from the Voluntary Assisted Dying scheme, and had advocacy wins for Visiting Medical Officers and on private practice billing.
