

SKIN DEEP

SKIN CANCER & SUTURING COURSE

An interactive and hands-on workshop for skin cancer medical & nursing practitioners to update their knowledge & procedural skills.

Saturday 12th October 2024 | 8am – 4pm

THE INCHCOLM BY OVOLO

73 WICKHAM TERRACE, SPRING HILL, QLD 4000

This full-day workshop will include a morning of lectures and interactive Q&A by a multidisciplinary team of specialists: dermatologists, oncologists, pathologists and surgeons in the diagnosis & management of skin cancers. The afternoon will be hands-on suturing workshops with specialist plastic surgeons – there will be a fundamental and advanced course running concurrently to suit your level of experience in skin cancer procedures.

CPD: This course will provide you with 4-7 hours of CPD

Cost: (includes catering)

All Day Medical Practitioner \$425 | Nurse Practitioner \$380

½ Day Morning Lecture only \$190 | Afternoon Suturing Course \$290

Registration: www.classroom4doctors.com.au or via QR Code
