

TOWNSVILLE FLOOD SUPPORT MEMBER VISIT

TUESDAY 12 FEBRUARY & WEDNESDAY 13 FEBRUARY

As the flood waters recede in Townsville, we understand that many of our members are assessing the damage and trying to work out what the next steps will be.

The steps you take in the early days can have a lasting effect on the recovery process. Dealing with insurance claims, lost or damaged patient records and employees you don't have any work for, are all challenging situations on top of an already personally challenging time.

The AMA Queensland Team and our valued corporate partners in insurance and MDO cover will be **visiting Townsville on Tuesday 12 and Wednesday 13 February.**
