Dirty Ashtray Award

National Tobacco Control
Scoreboard 2018

AMA and ACOSH are calling on Australian Governments to implement these recommendations:

- 1** Allocate adequate funding from the \$11 billion tobacco revenue to ensure strong media campaigns at evidence-based levels.
- 2** Ban all remaining forms of tobacco marketing and promotion and legislate to keep up with innovative tobacco industry strategies.
- 3** Tobacco product regulation to decrease the palatability of tobacco products.
- 4** Comprehensive action, including legislation, in line with Article 5.3 of the Framework Convention on Tobacco Control (FCTC) to protect public health policy from direct and indirect tobacco industry interference, and to ban tobacco industry political donations.
- 5** Positive retail licensing schemes for all jurisdictions.
- 6** Best practice cessation interventions and support in all health settings.
