

Dr Ekta Paw

Ekta is a PGY 6 and has spent the majority of her post graduate years at the Townsville Hospital as a PHO in various surgical specialities. She is has just started dental school as she's finally settled on Oral and Maxillofacial Surgery as her speciality of choice. She recently graduated from a Masters in Public Health at the Johns Hopkins Bloomberg School of Public Health in Baltimore, USA is where she honed her skills in policy and surgical outcomes research. She is currently also in the middle of a PhD at James Cook University focusing on surgical management of skin cancer patients, given the large volume of skin cancer patients in North Queensland.
