

Nominations are invited for State and Territory AMA DiTC representatives to be part of the AMA Council of Doctors in Training Industrial Special Interest Group (I-SIG)

The AMA Council of Doctors in Training (AMACDT) is establishing Special Interest Groups (SIGs) to provide an avenue for wider member engagement by allowing AMA doctor in training (DiT) members the opportunity to contribute to AMACDT advocacy and policy development at a Federal level.

The AMACDT is inviting each State and Territory DiTC to nominate a representative to be part of the Industrial SIG (I-SIG).

The Terms of Reference for the operation of the AMACDT SIGs more broadly, and the I-SIG in particular, are located [here](#).

Nominated representatives should be able to demonstrate the following attributes in relation to industrial matters:

- Previous advocacy, policy, and/or professional experience.
- Involvement with State and Territory AMAs and/or other medical stakeholder organisations.
- Capacity and availability to contribute to the I-SIGs work program.

The AMACDT is encouraging appointments that reflect the diversity of DiT membership including gender, geography, stage of training, and specialty.

Appointments will be for a 12-month period with an option to extend for a further 12 months.

Please contact the Chair, AMACDT, Dr Hash Abdeen at cdt.chair@ama.com.au with any queries.

Nominations should be accompanied by a short paragraph (400 words maximum) and targeted CV relevant to the I-SIG brief and can be submitted to scross@ama.com.au

The closing date for nominations is COB Monday 27 July 2020.
