

Information for patients about how to register their Bank Account details with Medicare

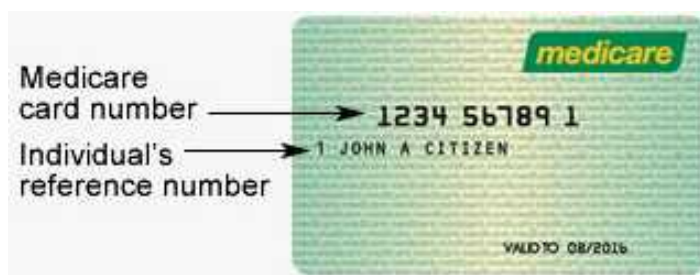

This practice can submit your Medicare claim for this visit on your behalf. The Medicare benefit will be paid into your nominated bank account usually by the next business day.

You can register your bank account details with Medicare in three ways.

Phone:

Call 132 011 (available 24 hours except on Public Holidays), select option 5 and ask to provide your Bank Account details.

You will need to provide them with the following information:

- You Medicare number
 - They will then ask you a couple of security questions to confirm your identification
- Your Bank Account Number
- Your Bank Account BSB number

Post:

Download the 'Medicare bank account details collection' form from the Department of Human Services Website.
